Innosuisse

Join us to discuss **entrepreneurship**, female founders in **FinTech** and **the gender gap concerning finances and financial literacy** that needs to be closed with **experts** and **founders**, while learning about innovative solutions in the **FinTech sector**:

SMART WAY
TO START

Realize how early financial education can help close the gender wealth gap.

Learn how smart equity management can drive transparency and support a company's growth.

OOMNIUM

Learn how digital fundraising connects start-ups with investors in a simple way.

See how financial tools and knowledge can close the gender money gap and empower women.
